Kevin-

I am currently on vacation with limited internet access which means getting my bio and headshot will be difficult to get to you and you may have a better event page without them. The the other potential sponsor is the downtown Pbid whose president and executive director I have copied on this email. Jerico has committed to \$1,500 and the sponsor level the Pbid has discussed is \$1,000 but that needs to be verified.

I have also copied Marie Elias from my office who will help you with what you need from Jerico in my absence. Looking forward to having Bisnow in town.

Alan,

That is wonderful news. We are looking to announce this week. Can you get me a headshot and bio today so I can upload it to the event page for the announcement? Looking forward to working with you on this!

All the Best,

I am quite familiar with Bisnow and I am very excited to have you guys put on an event here in San Pedro. David Roberts of CD15 and I have discussed the event and I've committed our company, Jerico Development, to be a sponsor and I continue to work on additional sponsors. I leave town Sunday until the 18th, let's talk when I return or feel free to email before that.

Alan

I hope that this email finds you well. The Council Office has asked AltaSea to participate in BISNOW event at the Port on October 19th. Kevin Morgenstern (copied on this email) is managing this event. Kevin would like to talk to you about Jerico participating in the event.

I will let you take it from here.

Hi Jenny,

Pleasure connecting with you yesterday. I followed up with Mike Galvin and am waiting to hear back. It looks like we have Joe Buiscano on board as well.

Was curious if you could point me in the direction of Jerico, I'd love to touch base with them and garner interest as soon as possible.

All The Best,
